RE: D.F. v James L. Robrock, M.D.
Case # MD-06-0373A

Dear Ms. Hendrix:

The purpose of this letter is to inform you that during the course of the April 11-12, 2007, public meeting, the Arizona Medical Board (Board) reviewed the above-referenced complaint and all pertinent evidence and information gathered during the investigation. At the conclusion of its review, the Board voted to issue Dr. Robrock this Advisory Letter for inadequate medical records. This matter did not rise to the level of discipline.

An advisory letter is a non-disciplinary action, and is not subject to review by either the Board or the Courts. See *Murphy v. Board of Medical Examiners of the State of Arizona*, 190 Ariz. 441, 949 P.2d 530 (App. 1997). However, the licensee may file a written response to the letter with the Board within thirty days after its receipt A.R.S. § 32-1451(E)(2). If timely received, the response will be attached to the advisory letter and maintained in the licensee's permanent file. The written response will also be hyperlinked to the licensee's profile on the agency's website.

Sincerely,

A handwritten signature in black ink that reads "Mary Bober".
